

# Around the World at Valleyfair

## Introduction

While visiting Valleyfair, you may come into contact with employees who are native to many different countries. These employees come to America not only for a summer job, but to experience the American culture as well.

## Learning Objectives

- ❖ To match the country to its continent
- ❖ To understand the distance some people travel to work at Valleyfair

## Materials Needed

Around the World at Valleyfair worksheets and a pencil

## Instructions

- ❖ On the first worksheet, match the countries in column A to the continents in column B
- ❖ Using the answering key, label the map on the second page

## Explanation

Throughout your life, you will meet many people who are from countries other than the United States. It is good to have an understanding of where these countries are located.

## Around the World at Valleyfair

Every summer, people from all over the world come to work at Valleyfair. Below is a list of different countries where employees come from and a list of continents. Match the country to its correct continent. Some continents may be used more than once or not at all.
