

# The History of Valleyfair

## Introduction

History is an important subject to study because everything has a past, even Valleyfair!

## Learning Objectives

How much do you really know about Valleyfair? This activity will test if you know how old some of the more popular attractions are at Valleyfair.

## Materials Needed

History of Valleyfair worksheet, a pencil, and possibly some help from our website, [valleyfair.com](http://valleyfair.com).

## Instructions

1. Determine what year the attraction in column A was introduced to Valleyfair.
2. Draw a line from that attraction to the corresponding year in column B.
3. Check your answers at [valleyfair.com](http://valleyfair.com)

## Going Beyond

- Create a timeline of Valleyfair, have students include when their favorite rides were built
- Have students create a timeline of their history with Valleyfair, including their first visit, their first ride on a roller coaster, etc.
